

A Message from the Public Relations & Communications Committee

We hope you enjoy this **second edition of the Village Newsletter**. Please email myself or anyone on our committee with feedback or suggestions for future issues. Also wanted to let everyone know **we are in need of an additional committee member**. Please email either myself or Julia Vicars, City Secretary if you are interested in serving on the PR/Communications Committee.

Olive Fest was a big success. Hope everyone got a chance to stop by the event and see our City booth or the other wonderful Vendors. The banner at the top of this newsletter was displayed at the booth to help brand our Village. I know during the time I was there we had several folks stop by and ask about our city. If you were not able to attend Olive Fest, you can click on the **picture link at the bottom of this newsletter to see all the fun**.

Trash Day was also a hit. Next up, council is close to an updated first draft of the zoning ordinance to present to the citizens. Be on the **lookout for a Town Hall invite** within the next couple of months and be sure to attend. We need your input! And finally, we are working **on repairing the old roadside sign** that was at VJ's. Once it's repaired we can begin using it to advertise upcoming events, safety items, construction reports, etc.

Thank you,

Kristi Belote
